Our Vision

A world in which all are empowered to age well.

Stronger Together

A Letter from
Steve Fetyko,
President and CEO

When our last fiscal year began on July 1, 2019, nobody could have predicted how different the world would look by June 30, 2020. COVID-19 has been devastating to older adults, care partners, and families, bringing isolation, death, and heartache. Masks, social distancing, PPE – these words have all become part of our daily vocabulary. The pandemic has completely changed life as we know it. Yet, together, we have shown perseverance and resilience. *One thing is certain – we will never again take for granted the ability to give a hug, share a laugh, or shake a hand.* As the first vaccine doses arrive, we are filled with hope for the year ahead.

Through it all, UMRC & Porter Hills has shown it is a stronger organization when all of its members – leadership and boards, frontline team members, the older adults and families we serve, and our friends like you who generously support our work – are united as one. I am so proud of the determination and compassion that each and every one of you have demonstrated to help ensure the health, safety, and well-being of older adults and our healthcare heroes.

Since our affiliation in March 2019, UMRC & Porter Hills has accomplished so much to align our organizations to provide exceptional care and service to older adults. This includes streamlining policies and incorporating best practices at our communities across the state; refinancing debt while interest rates are at all-time lows; and developing new mission, vision, and guiding beliefs statements that will boldly lead us to a world in which all are empowered to age well.

With that, I am pleased to share our first combined UMRC & Porter Hills Annual Report. Thank you for your continued faith and commitment to our mission: welcoming all, partnering together, enriching lives. ■

In Service,

Steve Fetyko, President and CEO
UMRC & Porter Hills

A Letter from Michelle Henderson,
Chief Human Resources Officer, UMRC & Porter Hills

The COVID-19 pandemic has brought into sharp focus the crucial, life-saving work being done by our healthcare heroes, at UMRC & Porter Hills and around the world. It has also emphasized the critical and urgent need for workforce development and training in the area of healthcare, particularly in caring for older adults.

In an industry with high demand and high turnover, it is imperative that we do all we can to recruit and retain excellent direct care team members who provide outstanding care for those we serve. Our Human Resources, UMRC Foundation, and Porter Hills Foundation teams have initiated a variety of efforts to do just that, such as the **Employee Support Services Fund**, including *Emergency Aid* and *Staff Scholarships*, and the *CNA Pathway Program*, launched by a grant from Ellen and Bob Thompson and supported by hundreds of generous donors. Tuition reimbursement, robust time off, and generous benefits are also offered to our team members. We have been delighted to bring these programs to our team members at Porter Hills this past year.

When the pandemic put our care teams and their families at risk, UMRC & Porter Hills launched appreciation stipends, supplemental sick leave, food and essentials pantries, childcare, and more. Your support of the Foundations' *Not All Heroes Wear Capes* campaign made many of these efforts possible for our team members across the state!

Our healthcare heroes – from direct care workers and life enrichment teams, to dining and housekeeping – have shown their courage and commitment to the health and well-being of the older adults in our care. Without them, our mission, “welcoming all, partnering together, enriching lives,” would simply not be possible. I am honored to serve our heroic team members and grateful for your support of the UMRC and Porter Hills Foundations. Your commitment makes UMRC & Porter Hills such a caring place to live and work. ■

With warmest regard,

Michelle Henderson,
Chief Human Resources Officer
UMRC & Porter Hills

Courtnee Knepley began working at Chelsea Retirement Community as a dietary aide while still in high school. Since then, Courtnee has climbed the corporate ladder, and UMRC Foundation's competitive **Staff Scholarship** program has assisted her in her journey! One of our first scholarship recipients, Courtnee earned her Bachelor's and Master's degrees – all while working full-time. She is currently Assisted Living Administrator. “Courtnee is a model example of the success we hope to elevate through our Staff Scholarship program,” says Wendy Brightman, President of the UMRC Foundation and Porter Hills Foundation.

Caregiver Spotlight

A Letter from Wendy Brightman,
President, UMRC Foundation
and Porter Hills Foundation

Supporting our team members shore to shore is an important initiative for the UMRC Foundation

and Porter Hills Foundation. Thanks to your generosity, the Foundations received over \$1.1 million for our *Not All Heroes Wear Capes* campaign to assist our frontline care workers as the COVID-19 pandemic swept over us. This year, we also launched the **Employee Support Services Fund** at Porter Hills, emulating our existing program for UMRC team members, which offers *Emergency Aid* for those experiencing a family emergency or financial crisis, as well as opportunities for *Staff Scholarships* to pursue educational and career goals. We are delighted to shine a **Caregiver Spotlight** on these two scholarship recipients at UMRC and Porter Hills. ■

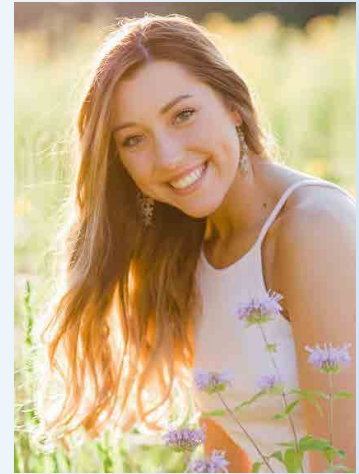

With warmest regard,

Wendy Brightman, President
UMRC Foundation and
Porter Hills Foundation

Hannah Saunders

Glazier Commons
Assisted Living, UMRC

I decided I wanted to help people at a young age,” says Hannah Saunders, Resident Care Assistant, at Glazier Commons Assisted Living center, located at UMRC’s historic Chelsea campus. “In fact, I’m pretty sure I was still in diapers when I decided I wanted to be a nurse.”

A **Staff Scholarship** from the UMRC Foundation is helping Hannah fulfill her dream of completing the nursing program at Michigan State University. “The more education I get, the better I can assist our wonderful residents here at UMRC,” says Hannah, currently in her second year of college. “Not very many workplaces offer scholarships. This helps remove a lot of financial stress for me.”

Especially now during the COVID-19 pandemic, Hannah, who started her job in April, is experiencing the dedication and determination of healthcare workers. “When everyone else is afraid of the risk, we rise to the challenge, risking our own health and that of our loved ones to care for our residents who become like family.”

This Jackson native says, “Working at UMRC has opened my eyes in unimaginable ways. A nurse’s role in healthcare is much more than the average person may notice. It’s not about the money or the job title, it is about creating the best quality of life for the person in need. In addition to physical care, they rely on us to feel safe and to feel love. Nurses and healthcare workers make a difference, and I love being a part of it.” ■

Dian “Dee” Sutawijaya

Porter Hills Village "Catered" Assisted Living, Porter Hills

Dee helps Helen celebrate her 99th birthday. “My mom would be so proud of Dee for her scholarship,” says Helen’s son, Dale.

Dian Sutawijaya, or Dee, moved from Indonesia to Michigan four years ago with her husband, a Grand Rapids native. In her country, Dee had been a social studies teacher for eleven years.

Dee had never thought about becoming a caregiver, until she returned to Indonesia to care for her gravely ill grandmother. When Dee came back to Grand Rapids, she decided to use these skills to help others.

Nearly two years ago, Dee began working at Porter Hills Village in its "Catered" Assisted Living center, first as a resident assistant and, currently, as a medical technician. This fall, Dee was delighted to learn that the Porter Hills Foundation was launching its **Staff Scholarship** program. “I had been saving to begin an LPN program,” says Dee. “This scholarship is allowing my goal to happen faster.” Eventually, she hopes to earn her BSN degree.

“Kindness, compassion, and empathy” is Dee’s philosophy for nursing. “I like interacting with older adults and encouraging them to be as independent as they can be, to show compassion and touch their hearts.”

She understands how difficult the social isolation has been for residents who are separated from loved ones as a result of COVID-19. “When I know there is something they like, I do whatever I can to make sure they get it,” says Dee, whether it’s stopping by their room to visit, offering a manicure, or making a special sugar-free treat for a resident with diabetes. “Their happiness is my goal.”

For example, Dee brought a chocolate cake for Helen’s 99th birthday, just days before Helen passed away. Helen’s son, Dale Hotelling says, “It was clear that a most special bond formed between Dee and our mother during Mom’s 18 months at Porter Hills. Our family’s lives have been enriched by Dee’s presence among us.” ■

Shore to Shore: Saluting Our Life Enrichment Teams

The City Church of Sparta paid Meadowlark Retirement Village residents a visit, helping get everyone in the holiday spirit from the safety of their homes.

2020 brought a host of COVID-19-related challenges, not the least of which was how to fill the void created by the restriction on visits of family and friends for our residents. Our Life Enrichment teams from shore to shore have gone above and beyond, showing their determination, creativity, and love for the older adults they serve.

“When the pandemic began, our Life Enrichment teams were faced with thinking of new ways to keep residents engaged,” says Maegan Garlock, Residential Living Community Engagement Manager at Porter Hills Village. “Our goal is to work with elders to maintain independence, stay connected to community, and have an overall high quality of life. This pandemic has brought an opportunity for our teams to demonstrate just how deeply devoted we are.”

Several grants helped provide iPads for older adults to stay connected with family and friends. “We challenged our creativity, adapted our approaches, and learned how to use almost every type of communication platform out there, to keep residents connected to their families,” says Josie Pezzullo, Life Enrichment Coordinator at UMRC’s Kresge Healthcare and Rehabilitation Center.

Creative engagement activities have included: group exercise with residents from the hallway, weekly hospitality carts, pen pals with community members, outdoor concerts, and window visits, to name just a few.

Our Life Enrichment teams across the state have also looked to each other for support.

“Our engagement teams have worked together to share resources and ideas and have maintained a positive outlook,” says Maegan. “In conversations with peers in other organizations, I can see the difference in the level of support we have as an organization. None of this would be possible without the support of the entire UMRC & Porter Hills family. We have been blessed with the resources to carry us through this experience.”

“We have learned through this process, that the biggest impact comes from the most simple interactions – a smile, a conversation, bringing residents their favorite snack. Engagement and morale are a team effort, and the entire Kresge Center team is doing its best to provide the little things because those are the things that have made the biggest impact,” says Josie.

“Working through the Covid-19 pandemic with assisted living residents has brought a rollercoaster of emotions,” says Kori Rochefort, Assisted Living Life Enrichment Coordinator at Chelsea Retirement Community. “I have been sad, scared, stressed, mad, grateful, and happy that I can help. It has made me value the little things much more. Each day I park in the same parking space. When I arrive and leave work, I wave at one of our residents and he waves back. One day with tears in his eyes, he said, ‘You just don’t know how much you waving at me each day means.’ We have focused on keeping residents’ spirits up with a wave, a listening ear, a cup of coffee, a smile, or even a song and dance.”

Hazel Mead, Independent Living Life Enrichment Coordinator at Chelsea Retirement Community, agrees. “We are their family.” ■

“We are thrilled to receive this distinction shore to shore in 2020,” said Michelle Henderson, UMRC & Porter Hills Chief Human Resources Officer. “We are so proud of this accomplishment and of our dedicated team members who make UMRC & Porter Hills such a wonderful and caring place to live and work.”

NOT ALL HEROES WEAR CAPES CAMPAIGN RAISES \$1.1 MILLION SHORE TO SHORE FOR COVID-19 EMERGENCY FUND

The UMRC Foundation and Porter Hills Foundation launched the *Not All Heroes Wear Capes* campaign in March 2020 to support the heroic efforts of our direct care team members as the COVID-19 pandemic began. Led by two anonymous matching gifts of \$250,000 each, generous friends and donors gave over \$1.1 million to provide for emergency needs of our frontline team members and their families.

UMRC FOUNDATION PARTNERS WITH COMMUNITY TO SUPPORT HEALTH AND WELLNESS FOR OLDER ADULTS

Staying active as we age is key to maintaining physical and mental health and well-being. A new outdoor fitness area, located at the Chelsea Wellness Center, is being made possible, thanks to a \$50,000 grant the UMRC Foundation received from the Ralph C. Wilson, Jr. Legacy Funds of the Community Foundation for Southeast Michigan, and a partnership with the 5 Healthy Towns Foundation. “Exercise itself boosts one’s spirits; getting to exercise outside in the sunshine is a natural antidepressant,” says Wendy Brightman, President of the UMRC Foundation and Porter Hills Foundation. “We are grateful to team up on this project.”

Leading the Way

UMRC & Porter Hills' PACE programs in Ypsilanti, Jackson, Lansing, Muskegon, and Holland are leading the way! Here are a few of this year's highlights:

Huron Valley PACE hits a milestone of over 200 participants. During the pandemic, Huron Valley PACE has offered overnight respite stays for its participants to provide a needed break for families.

Thome PACE – Grants totaling \$1,250,000 from the Edward N. and Della L. Thome Memorial Foundation and The Harry and Jeanette Weinberg Foundation, Inc. helped to expand the Thome PACE Day Health Center in Jackson.

LifeCircles PACE – A \$100,000 grant from the Michigan Health Endowment Fund is bringing the *Positive Approach™ to Care* dementia training to LifeCircles team members, families, and community members over the next two years, to provide improved care and minimize stress for persons living with dementia and their care partners.

Senior CommUnity Care of Michigan PACE welcomed new Executive Director, Ken Robbins, who took the helm just as COVID-19 hit. Three regional care teams were created to effectively and efficiently manage participant care using the home-based model.

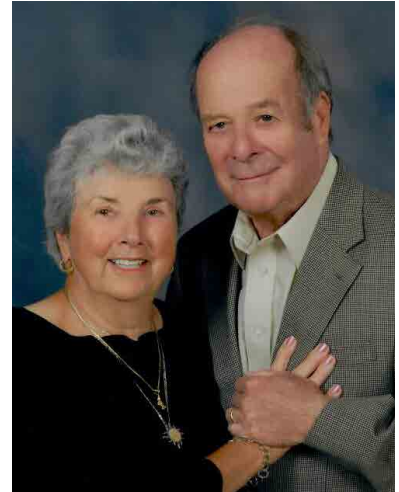

All of our PACE sites have ramped up both their in-home care and services as well as their telehealth capabilities this year during the pandemic, thanks to grants from the Michigan Health Endowment Fund, United Way of Washtenaw County, and the Community Foundation of Holland/Zeeland.

Congratulations to our PACE Executive Directors who are serving on the PACE Association of Michigan Board of Directors:

- Luke Reynolds, LifeCircles PACE – Chair, PACE Association of Michigan (PAM) Board of Directors
- Sonja Felton, Huron Valley PACE – member, PAM Board
- Susan Decker, Thome PACE – member, PAM Board

Sonja Felton has also been appointed to the 2021 National PACE Association Board of Directors! ■

Jan and Jack Bowie

Jan and Jack Bowie

"Our family has been involved with Porter Hills since the early discussions of it – nearly 60 years," says Jan Bowie. She and her late husband, Jack, were members at Westminster Presbyterian Church when Mrs. Paul F. (Marion Pampel) Steketee, Sr. organized a group to develop senior living in Grand Rapids. This group was comprised of businessmen, financial analysts, and attorneys, like Jack. "We were part of the process from the first spade-ful to the dedication of Porter Hills," says Jan. "Our children were young then. After construction began on Porter Hills, Jack and I would check on the progress nearly every evening and our kids would play in the sand in the construction area."

Jack went on to serve on the Porter Hills Board for 31 years, dedicating his life as a volunteer at Porter Hills. Jan also volunteered as a member and president of the Porter Hills Women's Board. "We did everything!" she says, including decorating the halls at Christmas, throwing monthly birthday parties for residents, organizing craft shows, and raising funds for Porter Hills. Their son also served on the Porter Hills Board prior to the affiliation with UMRC.

Jack's mother was among the first residents at Porter Hills. In 2000, Jack and Jan were some of the first to move into Cook Valley Estates. Today, she enjoys living in the Garden Apartments at Porter Hills Village.

Jan says she appreciates the mission of Porter Hills, especially the importance of Benevolent Care. The Porter Hills Foundation is included in the Bowies' estate plan as **Porter Hills Legacy Society** members. "Porter Hills has been our lives' work." ■

Due to COVID-19, the Porter Hills Foundation's *Thanks4Giving* event was cancelled this year. However, we will commemorate our silver and golden anniversaries in the coming year with articles and videos that share the faithful history of Porter Hills and celebrate the visionaries who made it happen, like Jan Bowie and her late husband, Jack. ■

The UMRC Foundation lost a dear friend with the death of Ann Feeney who served the board for six years, among her many volunteer and civic roles. "She was a strong leader who kept everything on track, but would gently remind us of how important our work is to provide for seniors in our community," said current UMRC Foundation Board Chair, Marianne Conner. To remember Ann's legacy of caring for older adults, the UMRC Foundation made a gift of \$7,500 each to the Chelsea and Ypsilanti Meals on Wheels programs. "It would have meant so much to her," said UMRC Foundation and Porter Hills Foundation President, Wendy Brightman. "It is our responsibility to carry her legacy forward."

UMRC FOUNDATION DONORS

We are grateful to each of our friends and donors who have supported the UMRC Foundation with a gift from July 1, 2019 through June 30, 2020.

WORDS OF GRATITUDE

"One of the Kresge Center CNAs who lovingly cared for Dick said, 'I told Mr. Kraft that I am considering going back to school to become a physical therapist. He encouraged me to apply for a (Staff) Scholarship.' That's why, when Dick passed, we chose the Foundation's **Employee Support Services Fund** for gifts made in his memory. Dick benefited from scholarships when he was a student and promoted them to others needing financial aid. This would be very meaningful to him."

– Ann Kraft, Chelsea Retirement Community resident

Kresge Center LPN, Erica Pledger, Staff Scholarship recipient, with resident Marilyn Campbell.
