PORTER HILLS VILLAGE  
ENHANCED INDEPENDENT LIVING  
AND ASSISTED LIVING

Porter Hills Village offers a continuum of care to meet your needs – today and tomorrow. Independent living residences are designed to give you freedom from the burdens of home maintenance so you can pursue the things you love.

The continuum of care lets you move from one living arrangement to another as your needs change, while you stay on campus among your friends and familiar surroundings, always supported by our highly trained and credentialed team members. From the professionals at our on-site wellness center, to the chefs who prepare delicious meals, to the licensed team providing medical services, we are focused on maximizing your health and well-being.
