Why I serve as a Brio Living Services Board Member? "Ten years ago, when I was asked to join the UMRC Board, it was with a selfish hope to ensure Detroit would have a continuum of care senior living community with middle-income options, knowing first-hand the need for affordable senior living in Detroit. While serving on the board, it has been my pleasure to see so many services provided to older adults across the State of Michigan, especially The Thome Rivertown Neighborhood in Detroit, which provides affordable independent and assisted living and an onsite PACE program."
