Why I serve as a Brio Living Services Board Member: "There are many reasons for my dedication to the Governing Board of Brio Living Services. First and foremost are the Guiding Beliefs Brio offers to those they serve, caring for the aging on our campuses. Whether in independent, assisted, hospice, home health, or skilled nursing support, Brio Living Services' Senior Executive Team, team members, and fellow board members perform with true heart and soul each and every day. We love what we do and we, at all times, do what we love."
