

These are NOT events for another retirement community in Grand Rapids!

This is your exclusive opportunity to learn more about our **NEW** program, Avenues by Brio Living Services - a unique membership program allowing you to stay in your home, predict long-term care costs, and enhance your lifestyle!

MEET PAM KIDD AND RILEY JENSEN:

As a retired physician, Pam had firsthand insight to how complex medical systems can feel as you start to age. With a deep respect for their adult children, Pam and Riley knew they did not want to turn their children's lives upside down to meet their aging related care needs. Pam and Riley chose Avenues to alleviate future caregiving responsibility for their children. They chose Avenues for the sense of security it brings knowing they have a team of professionals walking alongside them throughout their entire aging journey.
