

Matt Bazzani

Matt Bazzani joined the Brio Living Services Board of Trustees in 2025. An experienced administrator in the fields of academic medical centers, consulting, higher education, and pharmaceuticals, Matt's business acumen is a valued asset to the Brio Board.

Matt holds a Bachelor of Science degree in management from Indiana University and a Master of Science in Health Administration (MSHA) degree from Rush University in Chicago, Illinois. His career began at Rush University Medical Center where he gained experience as an administrator, consultant, and financial and operations analyst. From there, he worked as a consultant in healthcare practice and higher education practice at Arthur Andersen LLP, then as a business and planning associate at Takeda Pharmaceuticals North America in Lincolnshire, Illinois. He then moved to the University of Illinois-Chicago, where he served as director of administrative operations for the Department of Medicine.

Currently, Matt is Chief Department Administrator for Family Medicine at the University of Michigan Health System (UMHS), a position he has held since 2007. His institutional service at UMHS includes participation and leadership in the Business Operations Design Team, Finance Advisory Committee, Budget and Finance Committee, and the Michigan Institute for Clinical and Health Research Senior Leadership Committee.

The Brio Living Services Board of Trustees is grateful for the depth and breadth of expertise that Matt brings to provide the best possible care for the older adults we serve.
