# Avenues, an innovative option to plan your aging at home.

Today's adults in their 60s and 70s aren't slowing down—they're traveling, staying active, and enjoying life more than ever. But they're also thinking ahead. Many are choosing Avenues as their aging-at-home plan so they can continue living the life they love with confidence and peace of mind.

# Join us in person!

Join us for an engaging conversation about how proactive planning gives you flexibility, choice, and control over your future—without sacrificing independence or adventure. Because planning for aging shouldn't mean putting life on hold.

Join us to learn about Avenues and to meet a few of our "world traveler" Avenues members. These members will share about their vibrant lifestyles, their world travels, and how Avenues is their long-term plan for aging at home.
